

IUPESM Awards Committee Report

Members: Colin Orton (Acting Chair), Perry Sprawls, Fridtjof Nüsslin, Makoto Kikuchi, Joachim Nagel.

The major function of the Awards Committee is to request nominees from the IOMP and IUPESM for the two Awards of Merit. Because the Chairman, Dov Jaron, was being considered by the IFMBE for one of these awards, he felt it appropriate to step down as Chairman and he asked one of the Committee members, Colin Orton to take over as Acting Chairman. This change was approved by the IUPESM Administrative Council. The IFMBE was then asked to select someone to replace Dov Jaron on the Committee in order to maintain the required balance between the IOMP and IFMBE and they selected Joachim Nagel.

The two nominees for the Award of Merit were:
Prof. Dov Jaron (nominated by the IFMBE)
Prof. Pedro Andreo (nominated by the IOMP).

The Committee approved both nominations.
