

# **NOMINATING COMMITTEE REPORT**

## **August 2006**

Members: Colin G. Orton; Nandor Richter; Joachim Nagel; Ratko Magjarevic; Keith Boddy; Azam Niroomand-Rad; Geiger Didier; Jean-Pierre Morucci.

Before reviewing nominations, Committee Chairman, Jean-Pierre Morucci, asked President Orton to take over as Chairman because he was not going to be able to attend the Seoul World Congress. President Orton contacted President-Elect Nagel asking him if he would be willing to assume the role of Chairman, since the Committee would be nominating candidates for the 2006-2009 Council, which he would be chairing. He in turn asked President Orton to take on this responsibility. President Orton then obtained approval from the Council and, as Acting Chairman, administered the nomination process.

Nominees were proposed by the IOMP and IFMBE for the four Elected Council members and the IOMP and IFMBE proposed two candidates for Secretary-General/Treasurer, Peter Smith and Heikki Terio, respectively. The Nominating Committee voted unanimously to accept all four nominees proposed by the IOMP and IFMBE for the Elected Council members, but were divided equally in voting for the two Secretary-General/Treasurer candidates. After discussions with President-Elect Nagel and the two candidates, it was agreed to recommend to the Nominating Committee that the Secretary-General/Treasurer position be split into two appointments, Secretary-General and Treasurer, as allowed in the Bylaws. The Nominating Committee approved this and, subsequently, a ballot was distributed to nominate Peter Smith for the Treasurer position and Heikki Terio for Secretary-General. The Committee voted without dissent to accept this.

The IUPESM Nominating Committee proposes the following nominations for the 2006-2009 Council (note that the IFMBE Vice-President and Secretary-General will be elected by the IFMBE in Seoul):

### **IUPESM Administrative Council 2006-2009**

#### **Officers:**

President	Prof. Joachim Nagel
Vice-President	Prof. Azam Niroomand-Rad
Past-President	Prof. Colin Orton
