Ärende: WC2015 Candidate Proposal

Dear Dr. Terio,

on behalf of Czech Society for Biomedical Engineering and Medical Informatics of the Czech Medical Association of J.E.Purkyně and Czech Association of Medical Physicists I have the pleasure of submitting the proposal to host the World Congress on Medical Physics and Biomedical Engineering/IUPESM in 2015 in Prague.

We hope the proposal will be considered as fulfilling the demands that you have on future venues.

I would like to kindly ask you whether we should submit the Bid document also as a hardcopy?

We look forward to having a presentation during the Munich World Congress.

We warmest regards

Jiri Hozman
