Attached is the bid from the American Association of Physicists in Medicine (AAPM) and the American Institute for Medical and Biological Engineering (AIMBE) to host the World Congress on Medical Physics and Biomedical Engineering in 2015 in San Diego, California, USA.

Per the instructions, I'm including:

2. Summary of the Proposal.

Please open the "bookmarks" feature in Adobe to allow for easy navigation through the documents via the links to specific information and attachments.

Please confirm receipt of the proposal and let me know if all is in order.

Also, who should I communicate with to determine what needs to be done to prepare for our participation during the wc2009 in Munich?
